Why Baljeet Kaur is Commercially Credible

Baljeet Kaur, Mountaineer * Motivational Speaker

A decade of verified high-altitude achievement makes

Baljeet one of India's most compelling athlete brand

properties. Combining elite performance with a powerful platform for storytelling, engagement, and national pride.

7 × 8,000m+ peaks summited

5 peaks in 30 days

3 peaks in 7 days

Oxygen-free firsts on record

35+ peaks climbed across career

Speaker platform: corporate & motivational engagements

Proof of Performance

A decade-long progression of verified high-altitude achievements. This is not a stunt, it is a structured, disciplined ascent to the world's most demanding summits.

2015 — Basic mountaineering course (4,800m)

2017 — First 7,000m peak summit

2019 — First 8,000m peak summit

2021 — 5 peaks in 30 days

2023 — Oxygen-free climbs achieved

2027 — Aconcagua Objective (6,961m)

The Property

Beyond the Summit: Seven Continents is not merely an expedition. It is a fully structured brand property built around one of India's most compelling athletic stories. It offers sponsors a rare combination of authentic achievement, global visibility, and purpose-driven storytelling across a 24–30 month campaign cycle.

A living brand asset across 7 continents and 3 years
One athlete. One flag. One unbroken narrative arc.
Designed for brands that stand for resilience and pride

Seven Summits Status

Baljeet Kaur's progress across the seven continental summits. Two completed, Five remaining to complete the property.

- ✓ Europe: Elbrus (5,642m) – COMPLETED
- ✓ Africa: Kilimanjaro (5,895m) – COMPLETED
- ▶ South America: Aconcagua (6,961m) – NEXT
- ▶ Asia: Everest (8,849m) – NEXT
- ▶ North America: Denali (6,190m) – NEXT
- ▶ Antarctica: Vinson Massif (4,892m) – NEXT
- ▶ Oceania: Carstensz Pyramid (4,884m) – NEXT

Expedition Roadmap

A 24–30 month expedition and content cycle across five major climbs. Seasonality, weather windows and budget considerations are built into every phase.

Phase 1 – Aconcagua (6,961m)

Jan–Feb 2027 | Argentina

Southern summer window. Training and altitude maintenance

Phase 2 – Everest (8,849m)

Apr–May 2027 | Tibet/Nepal border

Flagship climb. Core brand activation window.

Phase 3 – Denali (6,190m)

June–July 2027 | Alaska, USA

Arctic summer season. High-endurance, technical terrain.

Phase 4 – Ama Dablam (6,812m) (Not a part of Seven Summit)

Sep-Oct 2027 | Khumbu, Nepal

Technical & Challenging Terrain, Remote access, permit-intensive logistics.

Phase 5 – Carstensz Pyramid (4,884m)

Nov–Dec 2027 | Papua, Oceania

Austral summer. Remote access, permit-intensive logistics.

Phase 6 – Vinson Massif (4,892m)

Jan–Feb 2028 | Antarctica

Austral summer window. Highest logistical cost phase.

Contingency buffer built in for weather delays.

The Commercial Idea

A mountain expedition can become a brand property.

Beyond the Summit is built on six commercial pillars that turn athletic achievement into measurable brand value.

PERFORMANCE

Demonstrate brand resilience and excellence

PROOF

Authentic achievement and milestones

PURPOSE

Align with values of courage and national pride

CONTENT

Rich storytelling opportunities

PEOPLE

Engage audiences through athlete and team

PRIDE

Celebrate the Indian tricolour on global summits

Budget Strategy

Building a full sponsorable brand property — not just an expedition budget.

Expedition logistics and permits

Athlete training and preparation

Media production and storytelling

PR and communications

Corporate engagement programs

Contingency and insurance

Working Budget

Detailed budget for Seven Summits completion.

TOTAL: ₹4.40 CRORE

PR and media exposure across platforms

ADDITIONAL ATHLETIC ACTIVITIES

- HYROX competitions Marathon running
- IRONMAN / triathlon events
- Yodha Race / obstacle races
- Manali to Leh run
- Leh high pass run
- Kanyakumari to Kashmir Run — an endurance running initiative covering the length of India

Required Support & Performance Team

To undertake these activities safely and at a high-performance level, I would require a dedicated support system, including:

- Sports physiotherapist — injury prevention, recovery and rehabilitation
- Sports/expedition doctor — medical monitoring and race readiness
- Strength & conditioning coach — performance and injury-prevention training
- Nutritionist/dietitian — race nutrition, hydration and recovery strategy
- Support/management team — logistics, travel, equipment and coordination
- Race-day support crew — hydration, nutrition, recovery and emergency assistance

TITLE PARTNER

The exclusive ₹1.5Cr category partner. One slot.
Full ownership of the Beyond the Summit brand
property across all platforms, summits and
storytelling.

Naming rights: "Title Partner of Beyond the Summit"
Visibility across all platforms, kit and gear
Content co-creation and storytelling rights
PR and media exposure across TV, digital, print
Direct athlete engagement opportunities
Usage rights for athlete image and brand assets

Co-Powered Partner

Two exclusive slots at ₹50L each. Co-Powered Partners receive prominent co-branding rights alongside the Title Partner, with deep integration across the expedition property and storytelling platform.

- Category exclusivity within segment
- Prominent logo placement on kit & media
- Content integration in expedition storytelling
- PR and media mentions across all channels
- Activation rights with athlete and events
- Usage rights for promotional content

Official + Associate Partners

Accessible entry points designed to broaden the sponsorship base and connect brands with a compelling story of resilience, courage, and national pride.

Official Partner – ₹1.25Cr | Limited slots

Logo on expedition kit and media collateral

Associate Partner – ₹10L | Multiple slots

Social media mentions and event invitations

In-Kind Partners (₹15L+)

Category-led in-kind partnerships reduce cash requirements while delivering strategic brand value. We encourage partners to contribute meaningfully within their core capabilities.

- Equipment & Gear Supplies
- Travel & Accommodation Support
- Media & Content Services
- PR & Communications Assistance
- Corporate Event Hosting
- Insurance & Medical Services

SPONSOR ROI

Partnering with Beyond the Summit delivers measurable, multi-channel returns that go far beyond logo placement.

BRAND: Association with resilience and national pride

MEDIA: Coverage across TV, digital and print

CONTENT: Exclusive storytelling and brand mentions

EMPLOYEES: Engagement through workshops and talks

BUSINESS: Lead generation and hospitality opportunities

PURPOSE: Align with purpose-driven brand values

Content Engine

Every stage of the expedition generates powerful, authentic content — from base camp preparation to summit glory and the legacy that follows.

PREP: Training and behind-the-scenes

DEPARTURE: Launch and send-off events

EXPEDITION: Daily updates and challenges

SUMMIT: Climactic achievement content

RETURN: Celebration and reflection

LEGACY: Long-term storytelling and impact

Beyond the Mountain

Converting Baljeet Kaur's expedition story into tangible corporate value — six programs designed to inspire, engage and activate your brand.

- Motivational Speaking
- Leadership Workshops
- Brand Storytelling Sessions
- Employee Engagement Programs
- Client Hospitality Events
- CSR & Community Outreach
